Washington, D.C. – Congressman Ben Ray Luján of New Mexico's Third District released the following statement today on the Arizona shooting and the news that Congresswoman Gabrielle Giffords was among those injured.

"I am shocked and deeply saddened at the news that my friend and colleague Gabrielle Giffords is among those shot today in a senseless act of violence. For four years, Congresswoman Giffords has served her constituents with distinction. She is a dedicated public servant who cares deeply for the people of Arizona. My thoughts and prayers are with Rep. Giffords and the family and friends of all those injured and killed in this heinous act."
