

American Recovery and Reinvestment Act

During this time of economic difficulty, Rep. Lujan's top priority is to get our economy back on track. One of the most important tools to achieve this goal is the American Recovery and Reinvestment Act (ARRA), which Rep. Lujan supported. This is an important step, but we still have hard work ahead of us to put our country back on the right path. [Read more...](#)

Consumer Protection

Rep. Luján is working hard to stand up for New Mexicans who are being hurt by predatory and unfair practices from mortgage and credit card companies, and irresponsibility from Wall Street. [Read more...](#)

Economy and Jobs

During these difficult economic times, families are struggling as jobs are lost, hours and pay are cut, medical bills are left unpaid, and homes are foreclosed. Ben is working hard to get our economy back on track. [Read more...](#)

Education

Ben understands that investing in our children's education is the most important thing we can do to ensure a sustainable future for our country. Today's classrooms should provide a positive learning environment where students are encouraged to challenge themselves and achieve their goals. [Read more...](#)

Energy

It is well known that New Mexico is home to many diverse energy resources and has long been a leader in energy production. Unfortunately, America still relies heavily on foreign oil to meet its energy demands, and this dependence compromises the security and economic vitality of our nation. [Read more...](#)

Indian Country

Rep. Luján grew up in Nambe, a small community that is nestled between two Pueblos. The 3rd Congressional District is rich in culture and tradition. It includes 15 Pueblo tribes, the Jicarilla Apache Nation and the Navajo Nation. In Congress, Rep. Lujan is working on behalf of Native Americans. [Read more...](#)

Health Care

Too many families are struggling with the high costs of health insurance. The costs aren't just hurting families, it is driving up costs for businesses, which is making it harder for everyone during these difficult economic times. Ben knows that our health care system is broken, and he will fight to fix it. [Read more...](#)

Land, Water and Environment

New Mexico's Third Congressional District is known for its beautiful landscapes and natural resources. It is important that we work together to protect the natural, cultural and historical resources which are integral to the identity of all New Mexican's. [Read more...](#)

Veterans

Our nation's veterans and military service men and women are the defenders of our freedom. Ben is committed to standing up for New Mexico's veterans and making sure that our veterans get the benefits they have earned and deserve. [Read more...](#)

Wall Street Reform

For too long New Mexicans have been harmed by the irresponsible actions of Wall Street. Wall Street reform takes important steps to reform our system and hold Wall Street accountable. [Read more...](#)
