

Tomorrow, Rep. Luján will visit the Fresenius North Rio Rancho Dialysis Center, highlight the end of lifetime limits on health insurance plans and discuss kidney disease with nurses, staff and patients. Under the recently passed health insurance reform, insurance companies will no longer be able to place lifetime limits on care. This provision goes into effect on September 23, 2010. August 11-15 is Kidney Disease Awareness and Education Week.

WHAT: Rep. Luján will visit the Fresenius North Rio Rancho Dialysis Center

WHEN: Tomorrow, Tuesday, August 3, 2010 at 9:30 am (MT)

WHERE: Fresenius North Rio Rancho Dialysis Center, 7555 Enchanted Hills Blvd, Suite 102, Rio Rancho, NM 87144
